## Project

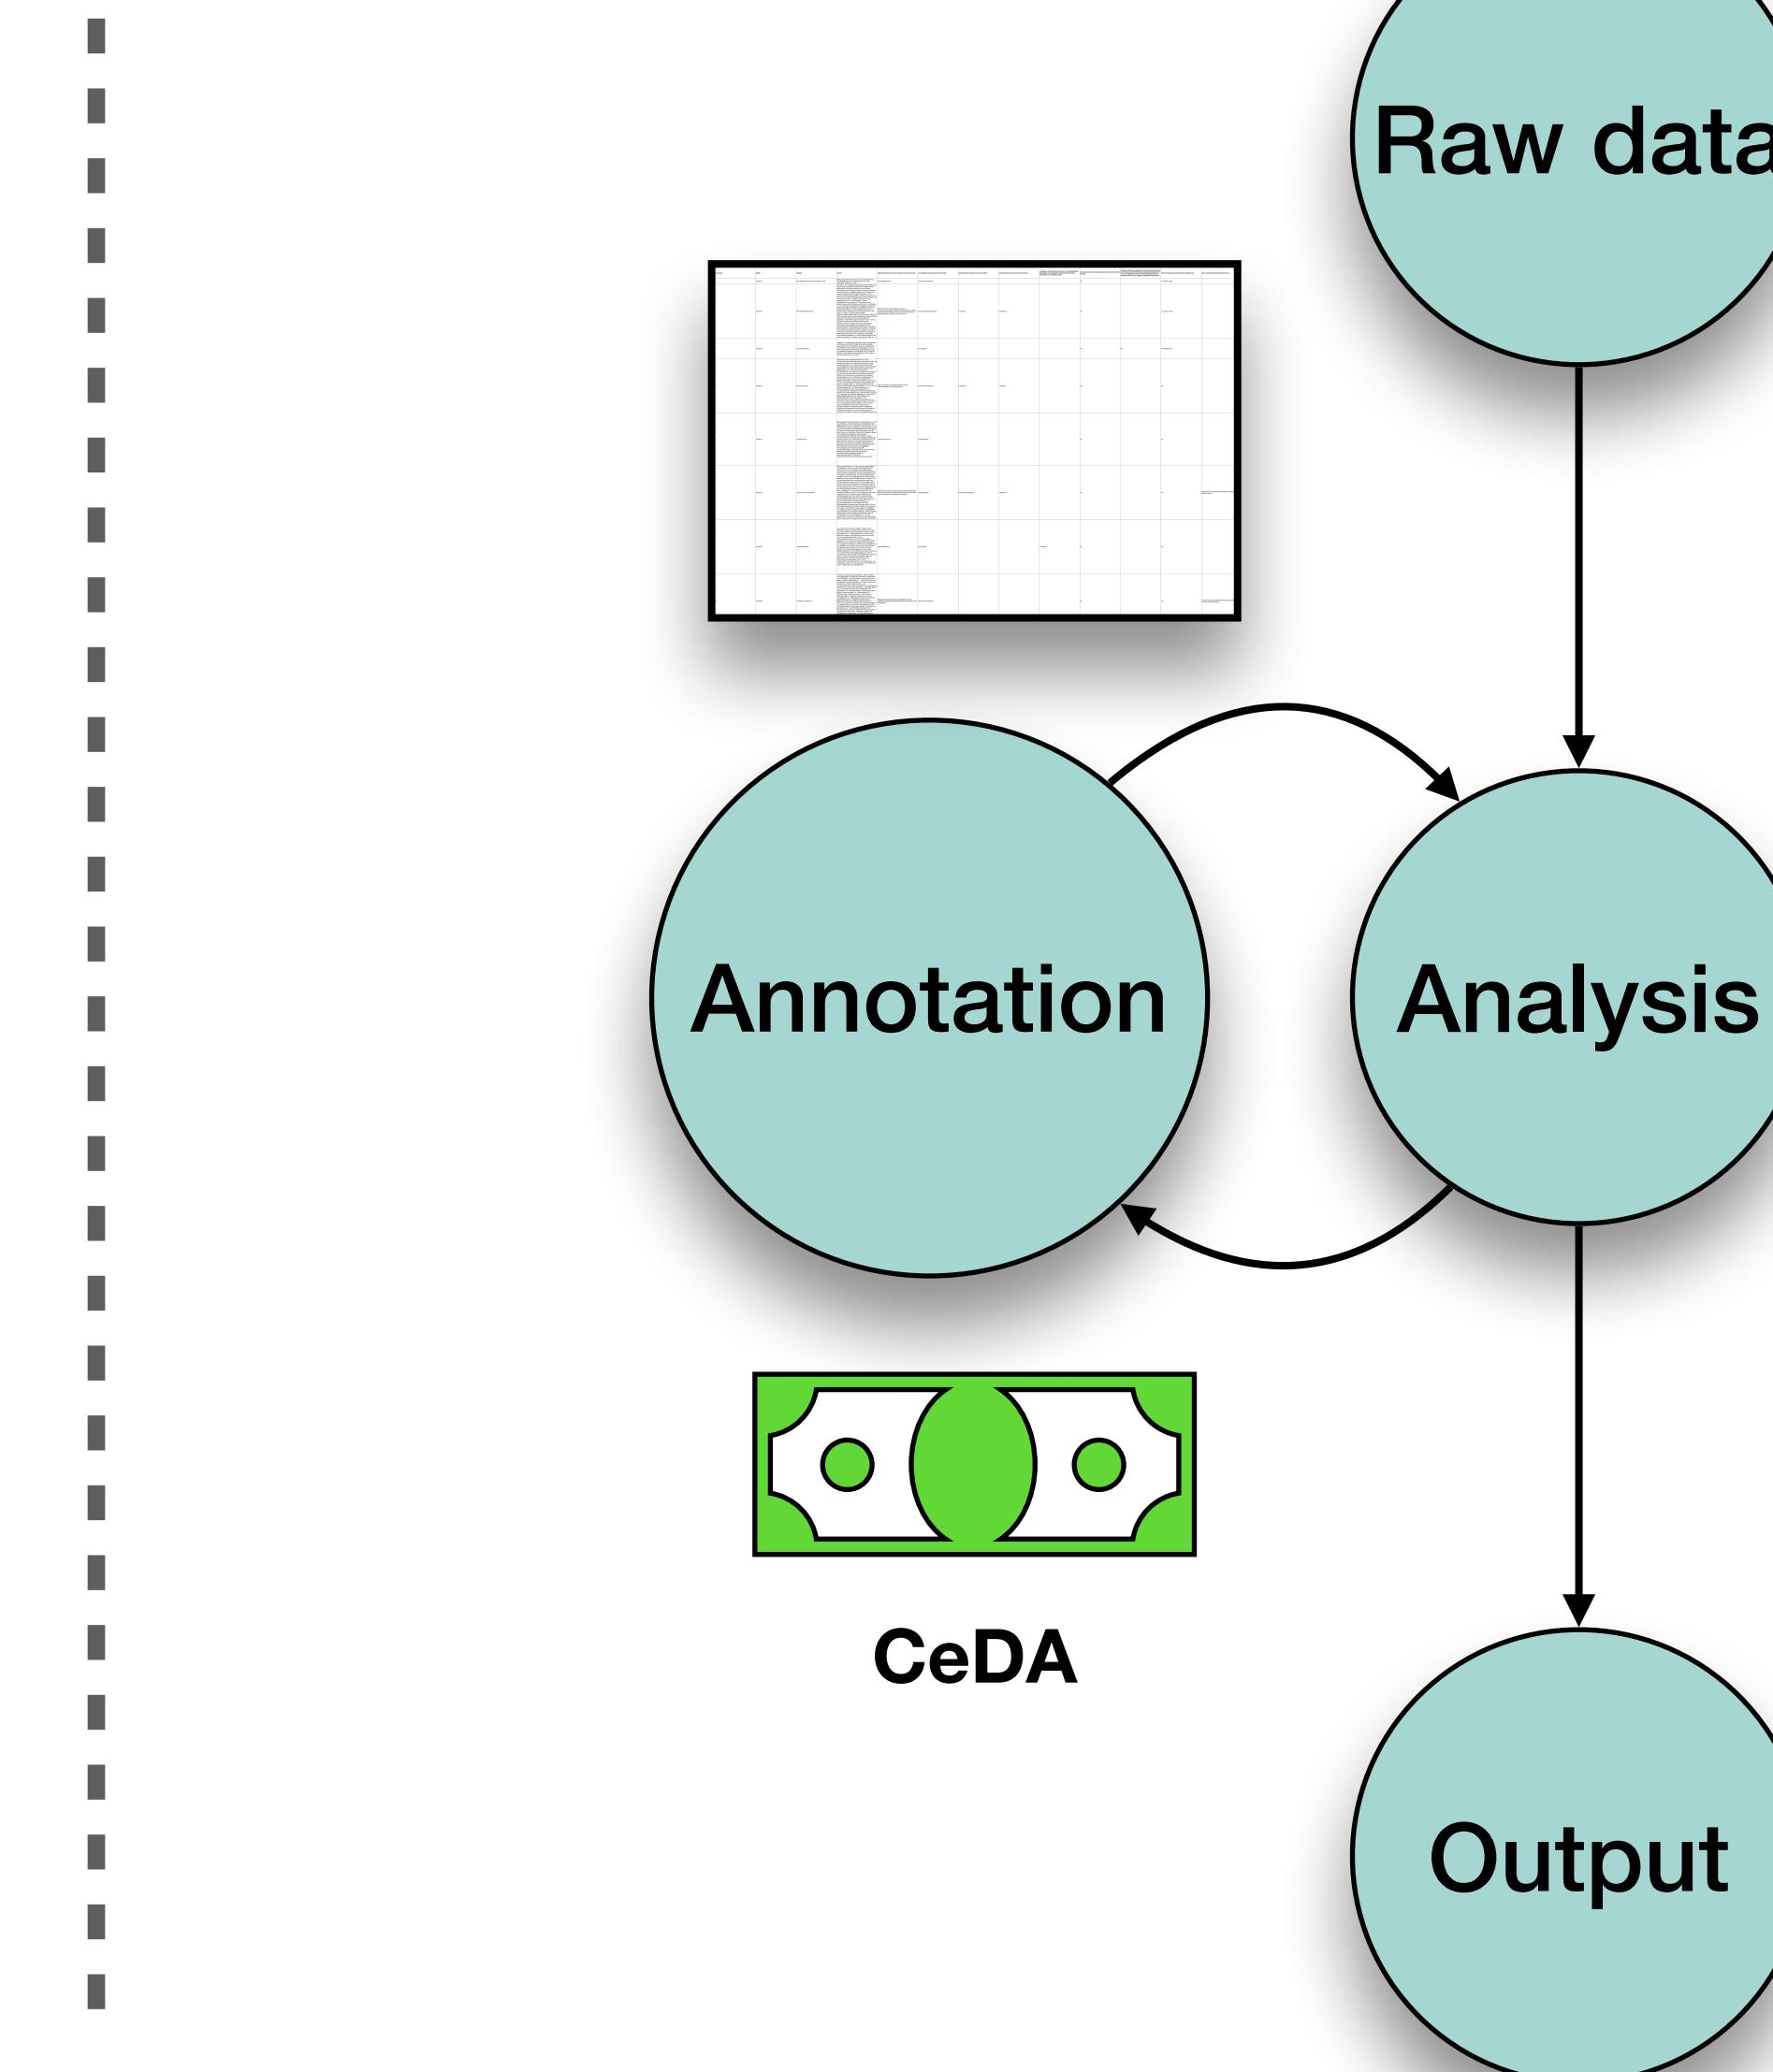

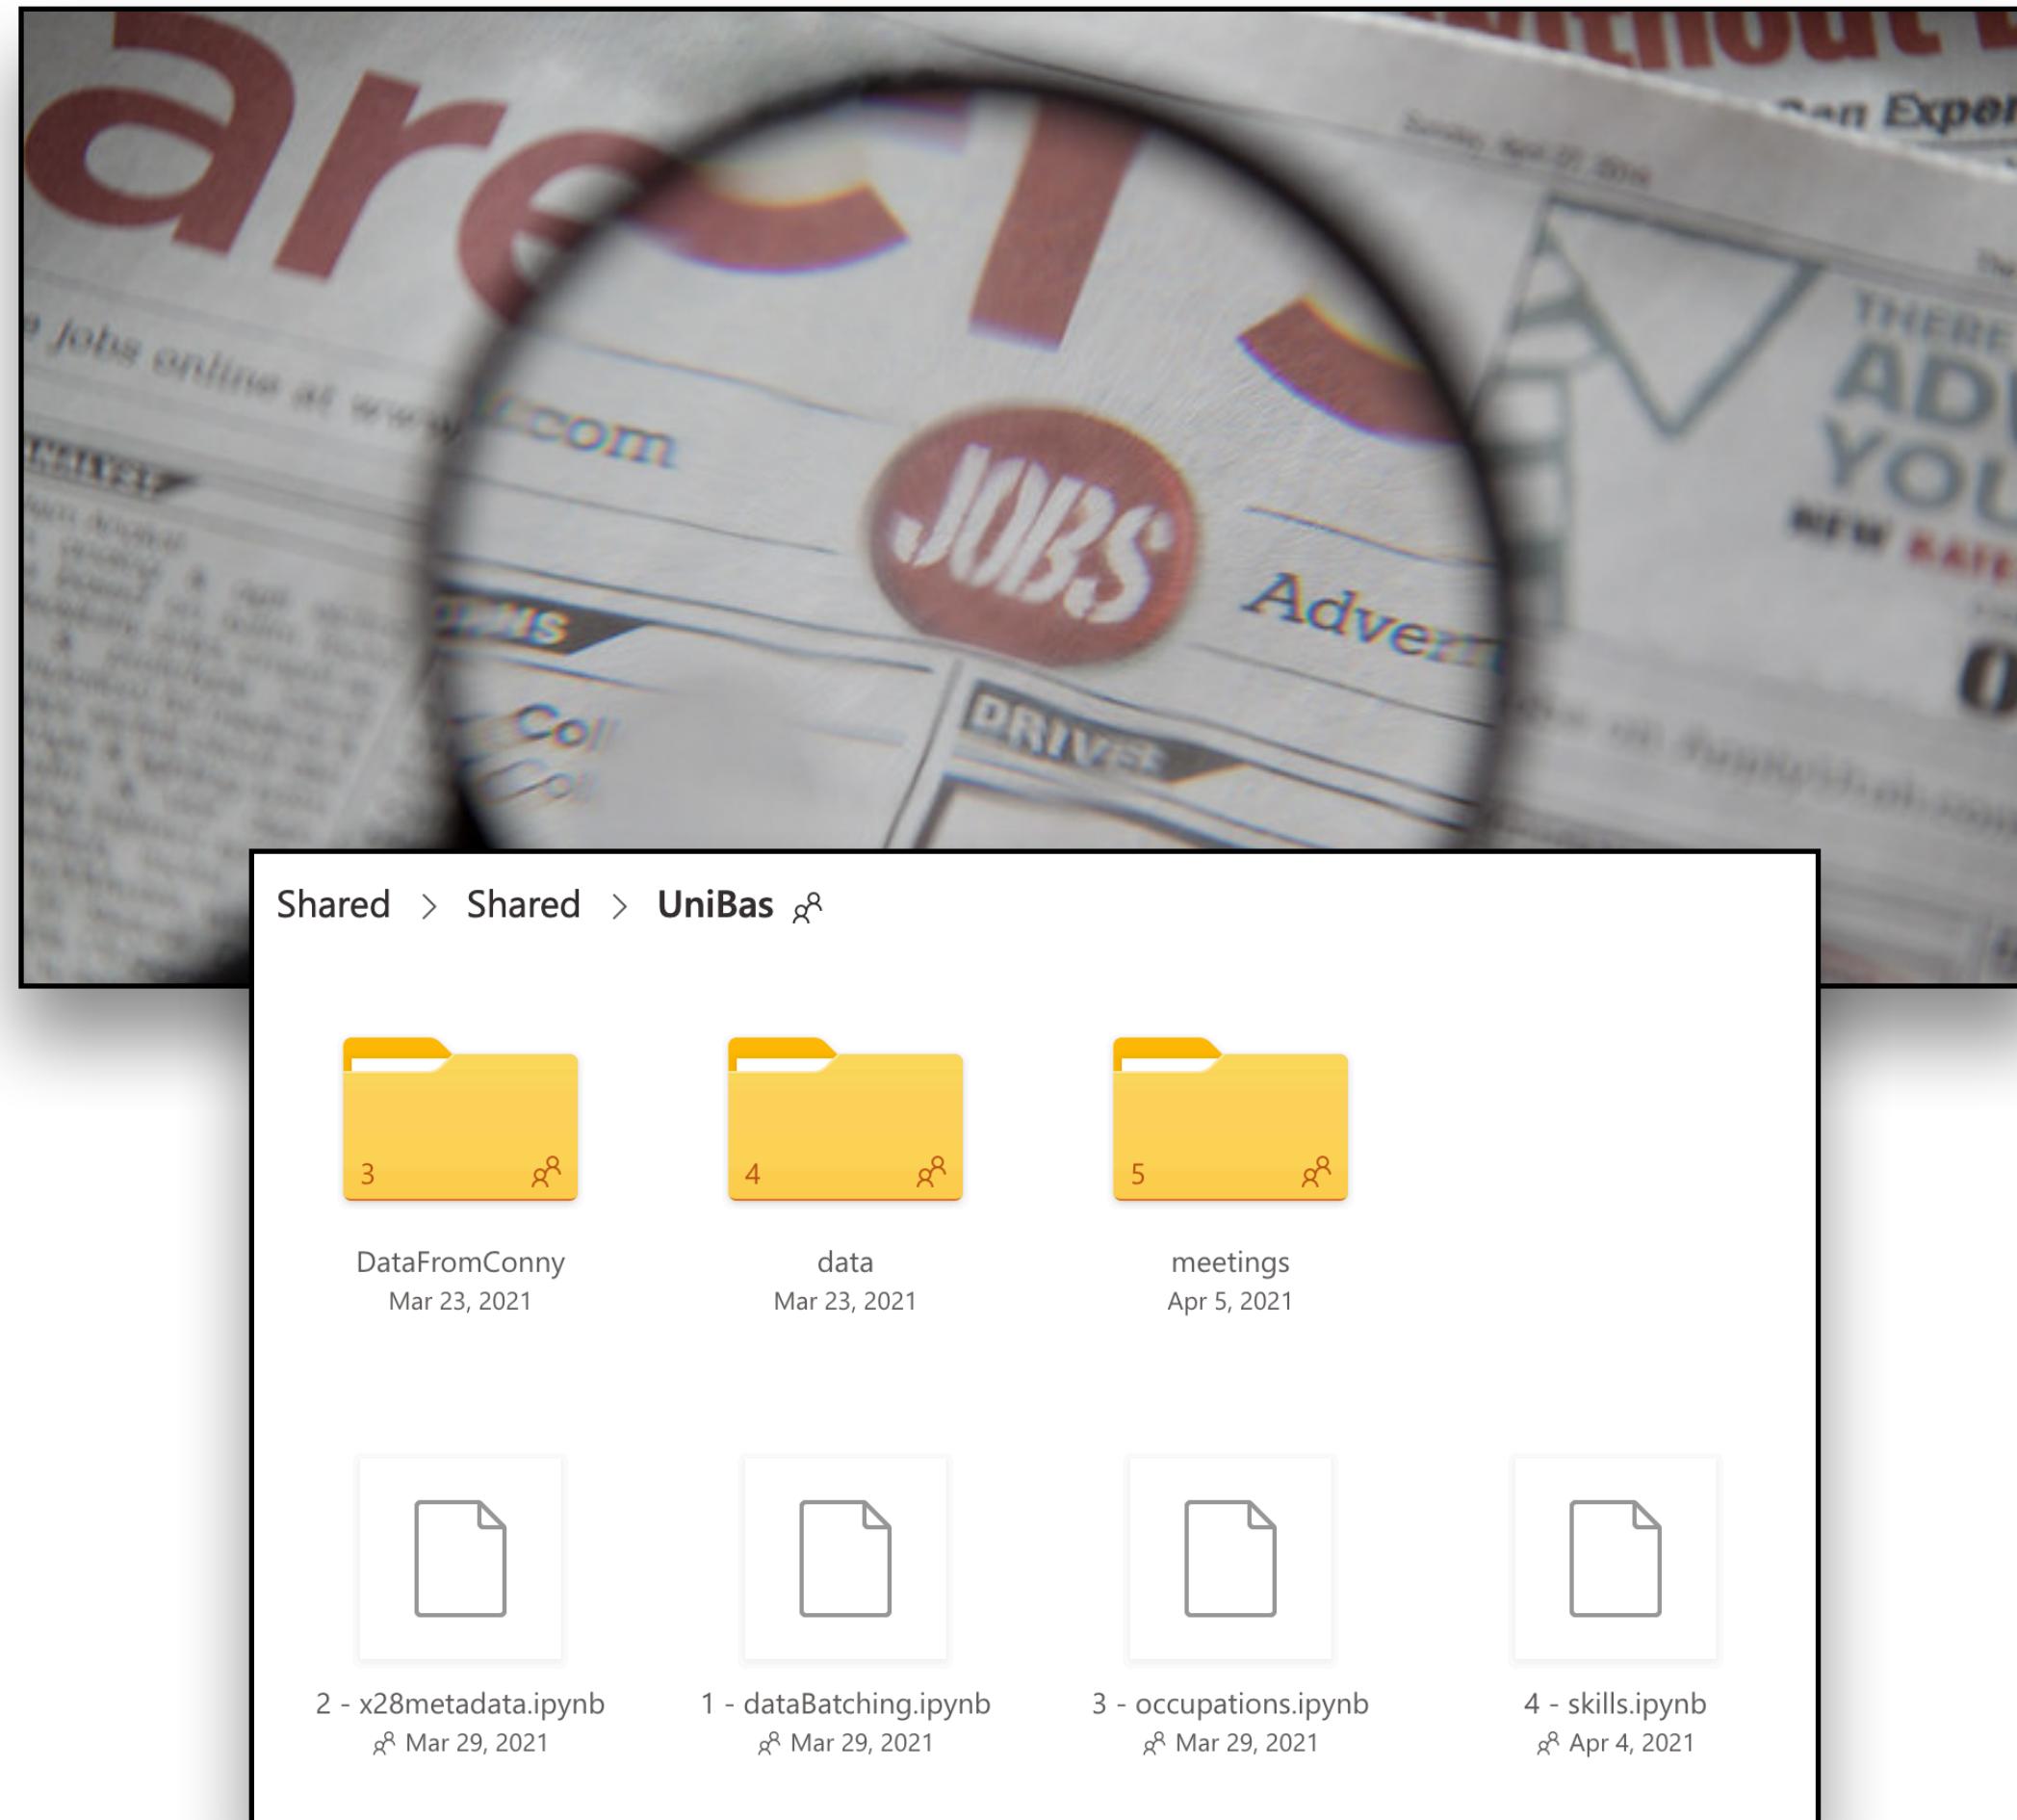

&lt; Back to overview

### The Swiss labour market in the digital transformation (SWISSLAB)

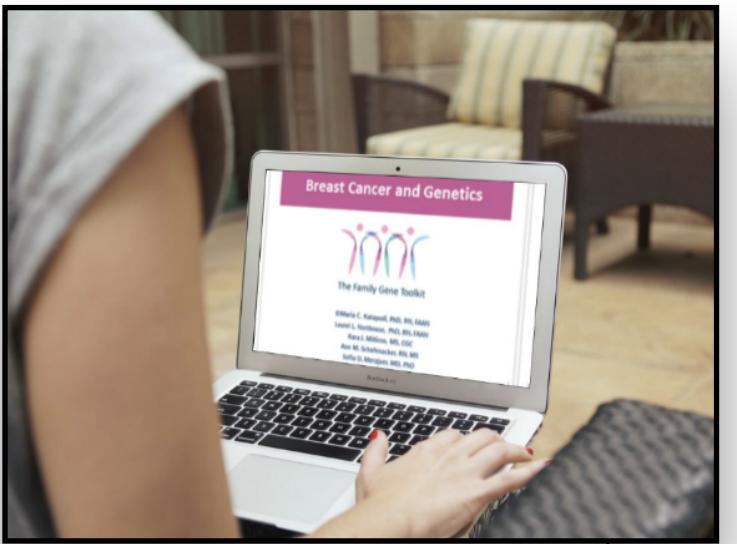

**English title** The Swiss labour market in the digital transformation (SWISSLAB)**Applicant** Wunsch Conny**Number** 187462**Funding scheme** NRP 77 Digital Transformation**Research institution** Wirtschaftswissenschaftliche Fakultät Universität Basel**Institution of higher education** University of Basel - BS**Main discipline** Economics**Start/End** 01.05.2020 - 30.04.2024**Approved amount** 552'928.00

# Case study: NLP & job ads

VS

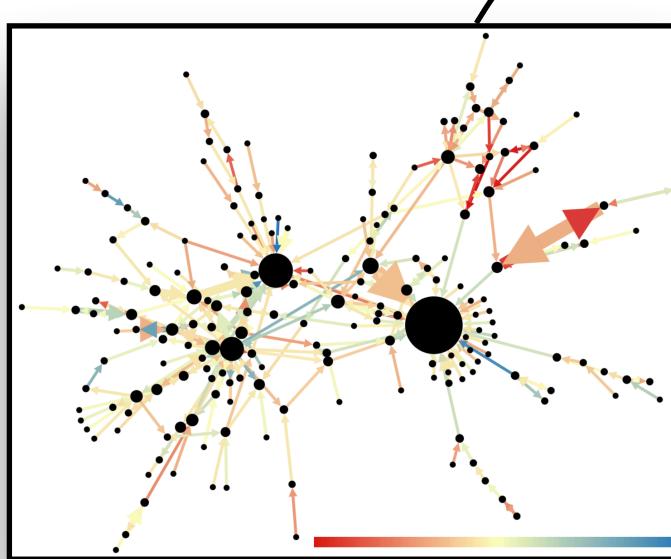

# Some other projects

Supervision

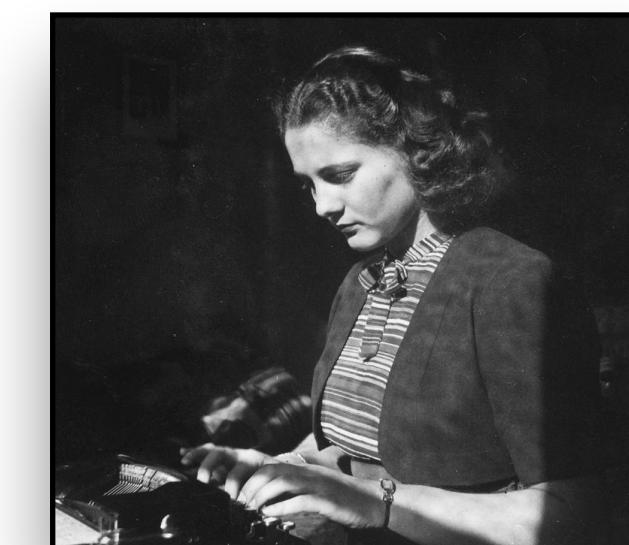

Co-development

Research-heavy

External

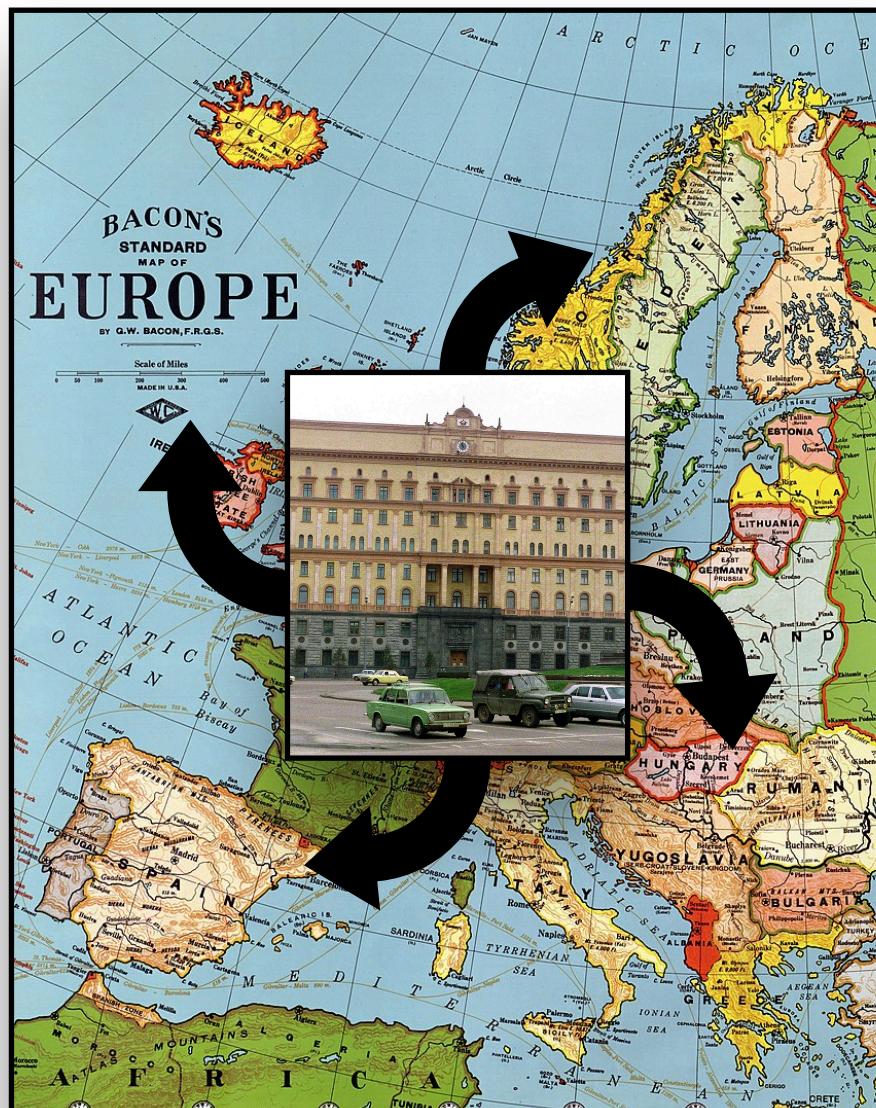

Visualization

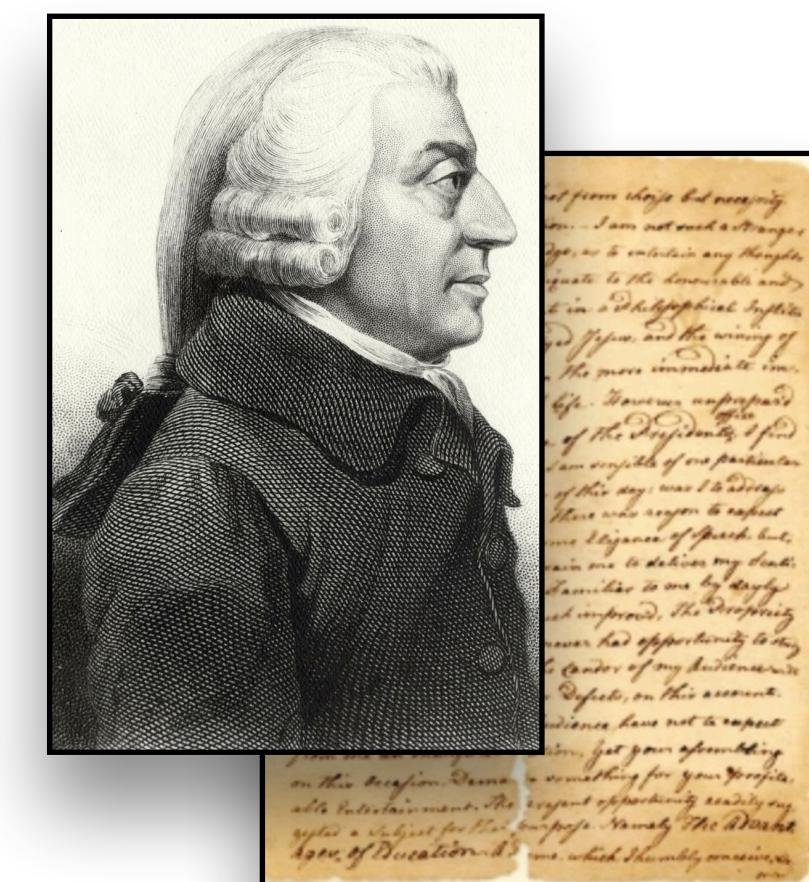

# Some of what didn't go forward

Doesn't need us

Lack of guidance

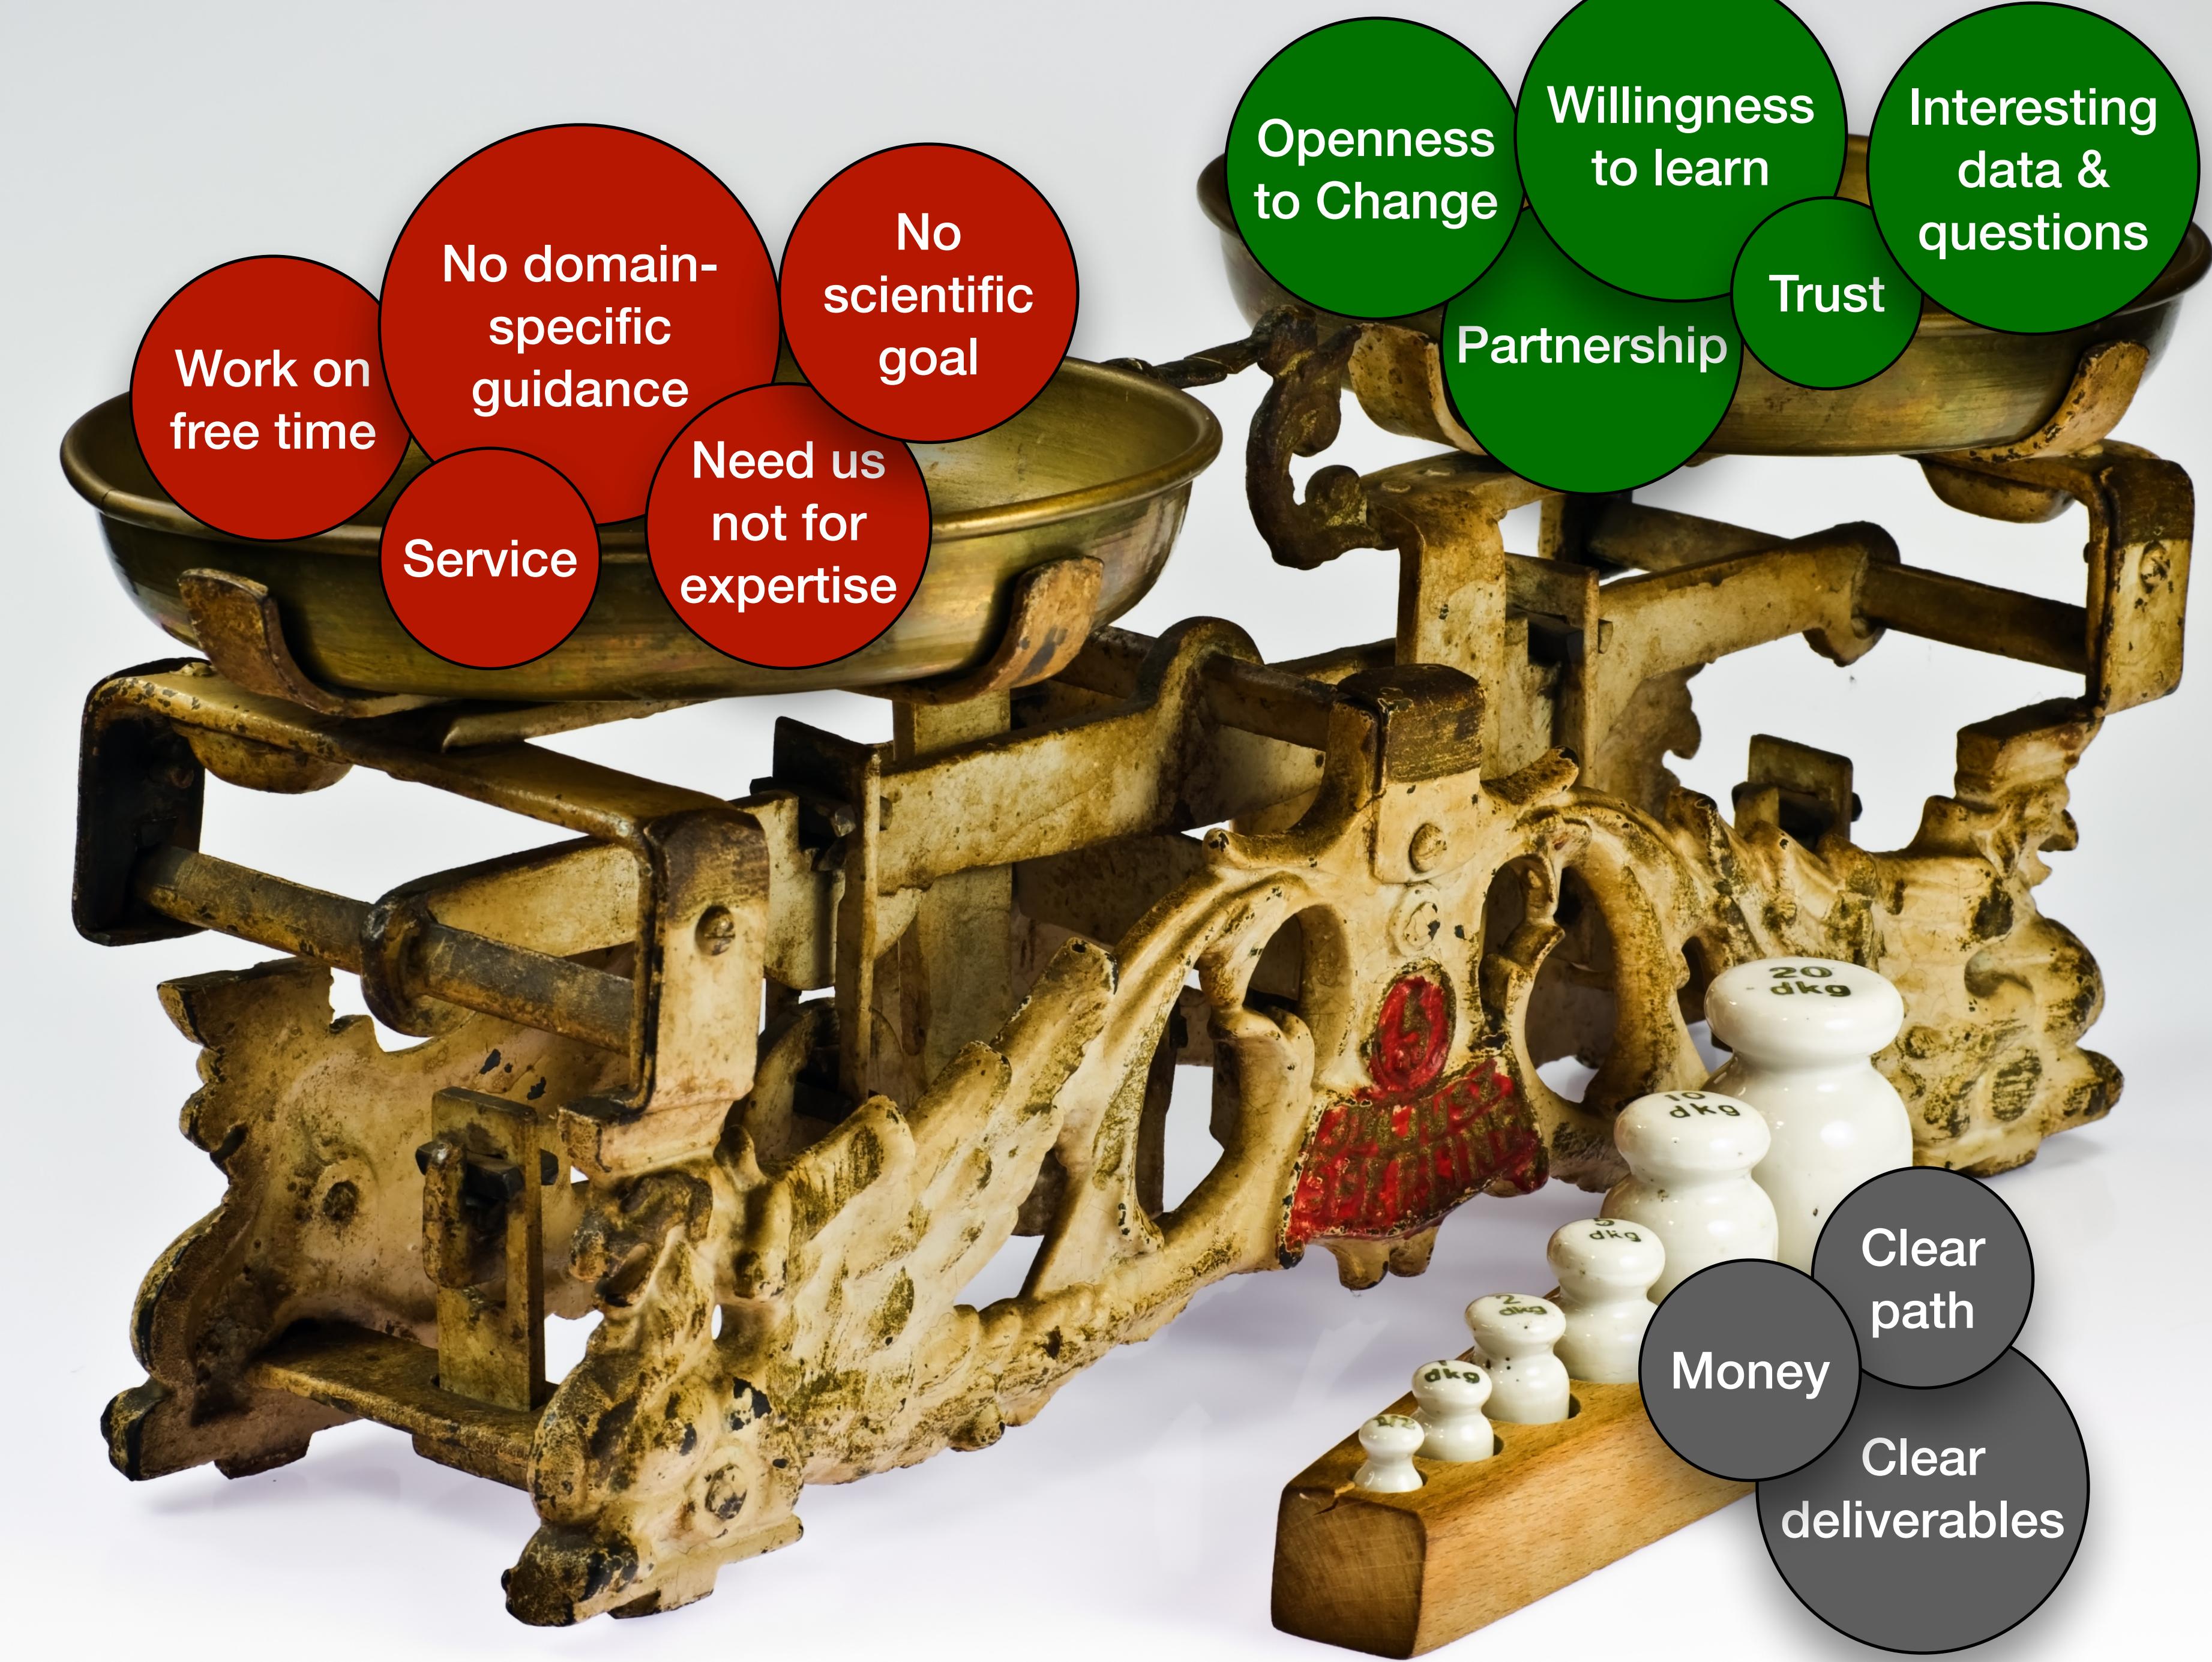

No specific project

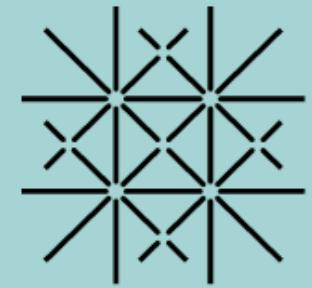

Wants us to hire people

Unstable work situation

# What makes it work

**Thank you  
for your attention.**
